how to build a work pc for home use Instructions. If you've bought a home PC â a PC that you're going to use to play games, watch Netflix, edit video, and run other casual applications â theÂ . Btw, that's the keyboard I had before I added a Multimedia keyboard. It even said "built in camera" at the bottom of the keyboard. I used it with the built-in camera. It was a small file so it didn't take up much space. I didn't think much of it until recently I installed Windows 7. Now when you first boot up, itÂ . Â
