You began as the lowest of the low in a galaxy at war, and your goal is to reach the top of the pilots hierarchy, completing missions, looting, crafting, and upgrading your equipment. A hostile life form wants to take over the entire galaxy, your role will be to destroy them. You are in command of a steel battlecruiser, with state of the art weapons and enormous starship capacities, built to take on the mission. Key Features: Explore the universe Fight aliens and defend your race Upgrade your ship Loot items, cash, and materials Discover procedurally generated universe where everything is randomly generated (ships, enemies, asteroids, items, etc.) Play as you like - trade, fight or explore. After achieving success in destroying their enemies, the massive Void Gamers bring back parts of their destroyed enemies (Infested) to clone new forces and strengthen their fleet. As you make your way through vast armies of Asura, try to deal a fatal blow to their most powerful being: Nox, who has himself cloned over a million units. While the Asura and the Invader God the Void, each Void Gamers unit has its own set of weapons and abilities. Game Features: Fight against legions of Asura, Void Gamers and other enemies during your journey Battle the epic Nox, the most powerful enemy ever created Trade resources for weapons, abilities and power-ups Upgrade your technology to gain new levels Meet more enemy bosses along your journey Infest your enemy and show them that you are the true Void Gamers! Unlock various areas and achievements Game Play Defeat hordes of enemies in an endless, epic battle with the Void Gamers. You will have your own army to battle with as you roam the galaxy fighting epic enemy bosses, loot ancient artifacts and upgrade your technology. Infested: In this puzzle game, you must clear a tower of infested chambers by solving puzzles and avoiding the swarms of tiny, mutated creatures. Once you defeat a swarm, it is removed and the puzzle must be started from the beginning. Each chamber contains a different puzzle that is linked to the one before it. Strider: Once again you're on a quest to save the world. This time you'll be hot on the trail of the evil Nox, the most powerful Void enemy ever created. You'll have to travel across the universe, face off against the Void Gamers
