THE ELDEN RING* Game is a fantasy action role-playing game developed by Cadence13, a developer of video games and long-time fan of RPGs. The title theme is "The Elden Ring", and the game is designed to satisfy a wide variety of players, including those who have never played a game before. As players fight along with the party of adventurers, players can customise their own adventure by customising their own character. Players will be able to unleash their power through "Collect", a feature in which players can gain strength by collecting items in-game. It will be possible for players to enjoy story contents in various ways, depending on the choices they make. The game will be released in Asia in 2016, and will be released internationally for the first time worldwide. *The Elden Ring Project, Inc., "The Elden Ring", not the game. PRESENTATION Visuals: 2D drawn in hand drawn Style Character: An elegant hero's figure drawn in hand drawn style Newly implemented software for 3D effect: "Benetoy" (rendering a plain image and text to 3D) Music: 2D piano melody Sound: Organized and edited by Ryuta Ito (sound engineer) Localization: All translations by "Loew" Lead Producer: Ryuta Ito MBA: "MBA" Director: Ryuta Ito Game Developer: Cadence13 CADENCE13 was born out of the desire to create new types of interactive entertainment. Since it was founded in 2000, the company has developed and published games, and also produces and works as a developer. With a wide range of products, the company has also successfully achieved the world's first success in the sales of a virtual all-girl group acting simulator developed by a brand named "Supervisor". Since 2010, they have been aiming for the next "Supervisor", and have continued to develop and launch products with the theme of "Let's all play together!" as well as "Pass it on!". We have experienced the continuous growth of users on "Supervisor", and now also support playing using smartphones and tablets. Cadence13 is founded on the "freedom, creativity, technology, and media-oriented culture"◆

Skyrim is, to put it lightly, an incredibly detailed and gorgeous game that will be sure to satisfy action RPG and role-playing fanatics alike. While many might be content to explore your heart out, crafting weapons of destruction and swilling the local ale, a pleasant adventuring experience in itself, Skyrim allows you to play and act so much more, providing you with the chance to bang your head as well as your entire body. The Lands Between. In your quest to reach the mysterious Elder Scrolls V: Skyrim, it's not only about being able to thrust an axe through the heads of enemies, but also eating and sleeping (at least for those of you with humanity intact). If you are a pilgrim set on paying your friends' respects to the grave of the White Orchard's infamous Erik the Red at Solitude's undead-infested Raven Rock, perhaps you'll have to navigate through various types of low, evil, and grisly creatures so as to prevent your group from losing its minds. However, if you want to study the E...tag:www.thinkgeek.com,2014-08-23:20150625:Comment:25573132014-08-23T06:33:58.446ZDante Shale

I suppose a lot of people were wondering... why were you laying on the ground? The answer is in the website for the US version... not sure why they did it that way though... gotta say
