Dependencies AutoCAD Cracked Accounts has several dependencies: Microsoft Office (2016 or later), including AutoCAD 2016 or AutoCAD LT 2016 Microsoft Windows (other versions may work, but are no longer supported). Windows 7 or later is recommended, including all support and security patches from the day of release. This is required for software updates. Windows 8 or later is also recommended for AutoCAD to take advantage of its VBA features. Windows 7 compatibility may be a requirement for certain third-party applications. If necessary, the Windows operating system (i.e., not Windows Server) must be in English. Other languages are not supported. AutoCAD can be run from a CD or DVD (the DVD version also contains a key). CD/DVD drives cannot be used on all computers. The DVD version of AutoCAD contains a DVD that must be installed in the same drive as the AutoCAD installation CD.
