April 22, 2017 - Nello stesso periodo Teofrasto nella "Storia delle piante" parla di "cardui pineae". Have you ever thought about creating an e-book or guest book? This can be very useful if you want people who are interested in your plant book to be able to read online. They can also be helpful in the process of selling a book. In the book "History of Plants" Theophrastus talks about "pineas" - trees with "sharp" thorns, which were widespread in India and China. When I thought about this project, I remembered that there are many on the Internet

Connect with Us Remembering the old days in Stanwood By Margaret Walters A Stanwood father shares memories about his childhood in a time when an annual day out of the house was often reserved for visiting relatives and friends. By the middle of the 20th century, not only were annual day trips out of the house becoming less and less common, but kids of the generation following the Great Depression had no experience with organized travel. When "dad", then John Charles Kipen (now deceased), was in high school, his family would go to the Kipen's neighbors, the Swabers, for a visit on Sunday afternoons. The Swabers children were much older than the Kipen's children, so the two groups didn't mix much. An occasional visit to the Swabers on Sunday afternoons was unusual, though, and the absence of other children didn't seem to matter. "I can't remember a time when I didn't go to the Swabers," says Kipen, now age 87. "When I was in school the children in the Kipen's neighborhood would come to my house and we'd play. When I was in high school the children from the Swabers would come down and
